

P2 News – Term 4

Welcome back to term 4 of P2. I hope you all had an enjoyable Easter break. Please find below some information for this term.

Homework

Phoneme and spelling homework will continue along the same format as term 3's homework. Children are to continue using their alphabet set of letters each week for making their spelling words, along with the phoneme/sound for that week and their word list. Please ensure you read the words on the list to your child and get them to make each word using the sounds, followed by writing them once in their jotter.

Your child should then choose 3 words from their list and write 3 sentences in their homework jotter. They should also choose an activity from the VCOP (Vocabulary, Connective, Openers, Punctuation) grid at the front of their jotter to complete for at least **one** sentence.

Activities can be done more than once. There will also continue to be maths tasks issued every two weeks. Homework will be issued each Monday and should be completed and returned by the Friday of the same week.

Reading

Your child will take part in class guided reading twice a week and will carry out reading related activities on a daily basis. Therefore please ensure they have their blue bag and reading book **every day**. A note of which days your child will have guided reading will be included in their diary this week. They will also continue to have new common words and common words they are not confident with home on their key-rings to practise.

Library

We will be visiting the school library each **Thursday**. If children wish to change their book please ensure they have it on this day.

P.E.

P.E this term will be on a Wednesday and a Thursday. Please ensure your child has their full P.E kit on these days, jewellery removed or stud earrings covered and a bobble for long hair to be tied back. This term we will also be taken part in '10 To Do' with P1 and P3 and will be outside when possible. Therefore can you also ensure they have tracksuit bottoms/leggings and a hoddie/sweatshirt in their P.E. kit.

Learning In class

This term our theme is 'In the Garden' where we will be looking at life cycles, how to care for our environment and minibeasts. We will also be looking at Buddhism and continuing to extend our French vocabulary. We will be learning about verbs and continuing to develop our independent writing and using VCOP (vocabulary, connectives, openers and punctuation) to help us do this. In maths we will be continuing our work on money. We will also be looking at time, measure and introducing time tables. We will also continue to develop quick recall of number bonds to 20 which your child would benefit from frequent practise of at home.

Thank you,
Miss Heron
